CORRUGATED & PYRAMID RUBBER MATS INLAID RUBBER MATS VINYL LINK MATS PYRAMID SLOTTED CUSHION DEK

A stiff scrub brush should always be used for cleaning entrance mats.

Use ordinary household detergent cleanser. Using a scrub brush, scrub the mat thoroughly with cleaner and water. Repeat procedure with clean water.

Rinse mat with clean water.

For severely stained mats, dip the brush in a rubber solvent frequently and scrub the mat. Scrub as many times as necessary to remove dirt, trackage, and foreign material. Allow the mat to dry and put in service.
