

ROAD ROLLER MATS

Musson Rubber Vinyl Back Cocoa Mat Road Rollers are made with fibers from the almost indestructible outer husk of the coconut. These fibers are bonded into a vinyl back (overall thickness of 1-3/16"), making it much easier to secure to the equipment than woven-back cocoa matting. These vinyl back Musson Road Roller Mats can be installed much easier than woven mats and can easily be cut to fit without the mat unraveling. If small holes are needed for installation, a sharp knife or punch will do the job.

STOCK NO.	STD. ROLL SIZE	STD. CTN. PACK	STD. CTN. WEIGHT
RR 4R	4" X 32'9"	2 ROLLS	45 LBS.
RR 6R	6" X 32'9"	1 ROLL	35 LBS.
RR 8R	8" X 32'9"	1 ROLL	45 LBS.
RR 9R	9" X 32'9"	1 ROLL	51 LBS.
RR 10R	10" X 32'9"	1 ROLL	56 LBS.
RR 12R	12" X 32'9"	1 ROLL	69 LBS.
