Our Fiber Glass (FRP) products are coated with a proprietary layered blend of mineral abrasive epoxy grit. Slippery surfaces such as gratings, mezzanines, steps, inclines, ramps and floors can be covered with our fiber glass step covers or walkway panels. All are available in YELLOW or BLACK with four distinct grit coating options: Heavy Duty, Medium, Lite and Fine.

Heavy Duty

Medium

Specialty sizes and panels are available upon request.

MAINTENANCE

Epoxy surface can be swept to loosen and remove dirt. Step covers can be cleaned using a general purpose industrial floor cleaner. For caked on dirt, use a stiff bristled brush with the industrial cleaner. Step covers can be pressure sprayed up to 1500 psi.

WARNING

Warning: Drilling, sawing, sanding or machining fiberglass can expose you to fiberglass dust that contains styrene, a substance that is known to the State of California to cause cancer. Avoid inhaling fiberglass dust. For your protection, Proper use of Personal Protection Devices are recommended. For more information go to www.P65warnings.ca.gov
